MEET ME AT THE SQUARE

Pecan Square is the small Texas town you grew up in – or wish you did. Designed to create authentic connections, this beautiful community in southern Denton County offers all the nostalgia of its rural roots, where past and present meet for today's family. Pecan Square was designed around a walkable Town Square with unique, award-winning amenities with a nod to the past and an eye on the future.

Pecan Square is developed by Hillwood Communities, one of the country's only large-scale, independent mixed-use community developers with a 35+ year loyalty to our customers, partners and communities. As a privately owned company, we're free to focus on visionary, made-to-endure placemaking – and the quality of home and work life that creates. Learn more at www.HillwoodCommunities.com.
